

Vacancy for the position of

LANDFILL ATTENDANT

within the

Grenada Solid Waste Management Authority

This position is based in Carriacou.

Primary Duties and Responsibilities

- 1) Perform "debushing" and landscaping duties on all landfill site grounds including, cutting of weeds, tall grass, overgrown trees, and vines; and planting and maintenance of grass lawns, accent plants and trees.
- 2) Regular inspection, cleaning and light repairs of all site perimeter and litter fences.
- 3) Pick up of strewn garbage and litter in and around the disposal site(s). Remove debris and trash from roadway and adjacent properties that have originated from the Landfill site.
- 4) Clean and wash equipment and vehicles and assist with light servicing of same.
- 5) Clean and, or wash all outdoor areas of site facilities.
- 6) Assist with storing, preparing, cleaning and delivery of portable GSWMA garbage bins.
- 7) Assist with tyre handling and disposal operations.
- 8) Assist with waste diversion operations.
- 9) Assist with fueling of vehicles and equipment.
- 10) Direct incoming and outgoing traffic at the disposal site(s), when or if necessary.
- 11) Assist with collection (external), transportation and disposal of solid waste as the need arise.
- 12) Assist all landfill job roles in the performance of their duties, including, but not limited to, the mechanic staff, driver, Landfill Clerk and equipment operators.
- 13) Ensure that stray animals are kept away from the compound as much as possible.
- 14) Performing any other landfill related duties as assigned.

Minimum Requirements

- High School Diploma
- Reading, writing, communication, and problem solving skills
- Strong interpersonal skills to deal with members of the public and fellow staff members
- Physical ability to perform assigned duties, stand/move around Landfill site, and work outdoors as needed. Trade skills will be an asset.
- Drivers license is mandatory preferably a D Class.
